2.0 SpEd Forms - Entering ICD-10 codes

The School Psychologist or School Nurse are responsible for entering the ICD-10 codes.

Students on the MA dashboard list are the students that the staff member has access to bill for.

CLICK on the student that needs an ICD-10 code entered for.

ⓘ Show more on setting up ICD-10 codes

Note: Some entries may not allow you to delete them due to there being active log lines. They may be edited, but not deleted due to causing exceptions and data incongruities.

Physical Therapy Services   ✓

Primary	Code	Description	Delete	Start date	End date	
∨ ☑	F34.81	Disruptive mood dysregulation disorder	☐	01/01/2022	mm/dd/yyyy	✓

Occupational Therapy Services   ✓

Primary	Code	Description	Delete	Start date	End date	
∨ ☑	F34.81	Disruptive mood dysregulation disorder	☐	09/01/2022	mm/dd/yyyy	✓

Box Pops up - ADD ICD-10 CODE

- **Service needs to be picked from the drop-down…PCA, nursing, transportation, etc.**
- **Start Date needs to be entered**
- **Check the Primary code box**
- **Either click select code and search for it**
  OR
- **Type the code in**
- **Click ADD**

After Adding the code, the ICD-10 code screen pops up.
It shows the Service and code that was entered.
CLICK SAVE
Billing can then start for that service
